

Movred-Maxi

THREE-POINT AGITATORS 540 and 1000 RPM ~ 17 and 21 FT. LENGTHS AVAILABLE

Here's a three point style agitator that handles the toughest agitation problems. Heavy crusts, weeds, bottom solids are no problem. Ease in positioning around your lagoon or storage pit and powerful agitation is what you'll receive with a ABI Movred-Maxi Agitator. Select the propeller size suited to your tractor from 40-170 HP and see why we say - ABI "Tomorrows Technology Today"

Horsepower Requirements
